On

**“Evidence Based Practice in Pediatric and Neonatal Care: Challenges in Current Research, Opportunities, and the Role of Research Scholars”**

Date : 23.06.2023, Friday

Venue : BLDE (DU) Shri B. M. Patil Medical College

Auditorium, Library Building, Vijayapur

**KNC CREDIT POINTS WILL BE AWARDED**

## The place

Vijayapura (the City of Victory) was founded by the Kalyani Chalukyas between the 10th and 11th centuries. The bustling city is studded with popular heritage sites. Indelible imprints, left behind by the Adil Shahi dynasty, are a delight to watch. The world's second-largest Gol Gumbaz (a dome) is situated in Vijayapura. The classic North Karnataka cuisine is as famous as the monuments. Vijayapura, a district headquarters, has all the amenities of a metropolis without the hassles.

## The Host...

Driven by highly competent, experienced, and committed faculty under the guidance of the visionary President, B.L.D.E.A.'s Shri. B.M.Patil Institute of Nursing Sciences, Vijayapura, provides world-class education, research, and clinical facilities to create ample opportunities for the youths of the nursing profession to excel in the performance of service to mankind. Since its inception in 1990 as a School of Nursing with a GNM programme, it has attained various milestones by offering different kinds of nursing education programmes such as GNM, Basic BSc (N), PB BSc (N), MSc (N), and Ph.D. The added advantage of the institute is the multi-specialty, 1200-bed Shri B.M. Patil Medical College Hospital & Research Centre, with ultra-modern facilities that serve as a training ground for all nursing students.

## About the Conference

The theme National Conference on "Evidence based practice in pediatric and neonatal care: challenges in current research, opportunities, and the role of research scholars" is chosen to encourage, support and build research activity and innovations among the pediatric nursing fraternity as we are in the era of Evidence Based Practice.

## Objectives

Upon the completion of the conference, the delegates will be able to:

1. Understand importance of evidence-based practice in pediatric and neonatal care.
2. Analyze the Barriers and facilitators in implementing evidence based practice in pediatric care.
3. Explore the challenges and opportunities for collaboration between education and service settings.

4. Acknowledge the importance of Building research capacity among pediatric nurses.
5. Recognize the role of research scholars in evidence based practice.
